## **Member Spotlight**

### **McAndrews Law Offices, P.C.**

The McAndrews Law Offices have served the needs of clients with complex legal issues since 1983. Our lawyers maintain a national reputation in Special Education Law and Special Needs Trusts, and also serve our clientele in the more typical legal fields of Estate Planning, Personal Injury, Criminal Defense, Real Estate, and Adoption.

We limit our practice to these in order to serve the unique needs of our clients in these areas of concentration. For this reason, we do not handle such matters as divorce, child custody, bankruptcy, patent, trademark, commercial litigation and similar areas which have also become highly specialized. We provide a high level of professional and skilled representation to our clients in our concentrated areas of practice.

DENNIS C. MCANDREWS HAS BEEN NAMED A "TOP LAWYER" IN THE FIELD OF TRUSTS AND ESTATES BY MAIN LINE TODAY MAGAZINE. The recognition, for

the year 2009, resulted from a survey of hundreds of attorneys in Southeastern Pennsylvania who offered their opinions on the best attorneys among their peers.

Berwyn Community Holiday Party & Tree Lighting was held at Surrey Services for Seniors on Friday, December 4 with a visit from Santa, face painting and crafts for the children, great cookies and refreshments and Holiday music from the Surrey Singers. Thanks to all!

## To All Berwyn Devon Business and Professional Association Members,

The Association has been supporting First Friday's in Berwyn for a year now. The planning committee has some rough ideas for 2010. Your involvement and support are important to take First Fridays to the next stage in 2010 which is to involve more businesses in a wider geographic area.

Getting non-association members involved is also important to the success of these events. A small contribution/membership will allow the Association to plan decorations along Lancaster Avenue next Holiday Season and allow advertising to promote our area businesses as well.

We will plan a meeting in late January for businesses to sign up. If you know a business that is not part of the association that will benefit from First Friday events please forward their e-mail and contact information to Gina Galli at [store@beadeologie.com](mailto:store@beadeologie.com).

The following ideas are suggestions for 2010 First Friday Events:

- February- Lovers Month/Valentines Day- Events and Specials
- March- Pub Crawl- Bag Pipe/Irish band playing and have a crawl with 3-4 places in Berwyn and hopefully Devon. Possibly have Mr. Bottle do a beer tasting
- April- Celebrate Spring with Window Decorating contest. Also a scavenger hunt where they would have to go into area businesses and restaurants to pick up clues.
- May - July - Summer concert/stage performance series. We are planning on getting a band or students of School of Rock to do a performance in the back of the Easttown Library or even somewhere on Route 30 and possibly one month asking Foot Lighters Theater to do a summer stage type performance.

If you have ideas of some activities to add to these events please feel free to voice them. Comments are always welcome. We also need people to help organize and implement these ideas to make this grow.

Wishing everyone a successful and prosperous 2010 business year!
